**VILLANOVA, PA (JANUARY 2009)** – Kurt Wolter Builders and Please Touch Museum® at Memorial Hall in Fairmount Park are proud to present the Home of Distinction by Kurt Wolter Builders. While showcasing the latest building products and design trends, the public tour will raise funds for Please Touch Museum®. The home will be open for tour February 26th – March 15th, Thursdays – Saturdays from 10am – 5pm and Sundays from Noon – 5pm. Please Touch Museum® will receive all proceeds from tour ticket sales. The Home of Distinction has been designed to reflect an elegant yet comfortable lifestyle, defining the new American Home. Entering the front door, visitors are immediately struck by the refined and comfortable feel of this 4,700+ square foot home with a sweeping front staircase curving gently from the second floor overlook. A right-sized kitchen features earth-friendly litmus wood cabinetry and dramatic granite counter tops. Top-of-the-line appliances make this a true cook's kitchen! Integral to modern living is the three-season, covered Loggia entered, from the Breakfast Nook and Dining Room. Efficient and modern heating, air conditioning, communications and plumbing systems providing the backbone for technical excellence in design and construction are located here. The Master Suite features high tray ceilings, recessed and indirect lighting, generous walk in closets, and every expected luxury detail including warmed floors in the bath area. Boasting four family bedrooms, beautifully sunny and bright windows, and pleasant designer-selected colors throughout, privacy and comfort abound. To top it all off, oak tread stairs lead up to an enormous, future game room or Nanny Suite.

Please Touch Museum® at Memorial Hall in Fairmount Park is the children's museum of Philadelphia. The museum's long-standing learning through play philosophy is incorporated throughout the museum's exhibits and programs and is the perfect place for children to learn and play with their families! Please Touch has transformed a National Historic Landmark from our country's centennial in 1876 into a brand new children's museum for 2008. The new Please Touch offers six new interactive exhibit zones: *Roadside Attractions*, *City Capers*, *Flight Fantasy*, *River Adventures*, *Wonderland* and *Centennial Exploration*. Also on site are a kid-friendly café, parking and the Kids' Store. Marvel at the 40-foot replica of the Statue of Liberty's arm and torch made of toys by local artist Leo Sewell and be sure to take a ride on the newly restored Woodside Park Dentzel Carousel.
